FOCUS

This month I want to focus on: ***“The Fullness of Joy!”***

Adar is the happiest, most joyous month of the Hebrew calendar. In fact, its motto is “When Adar comes, joy is increased.” ***Adar 1 begins this year at sunset on February 22nd.*** The abundance of joy in Adar is primarily due to the holiday commemorating the salvation of the Jewish People from a genocidal plot by the wicked Haman. Because of Esther's fasting and repentance, they were able to have his plot overturned.

As you meditate on, pray and decree the scriptures about joy, expect joy to increase daily. As the joy of the Lord is restored and brought to its fullness you will find new strength to endure the battles and enter into the everlasting joy that the Lord has promised to those that please Him.

Whatever “plot” the enemy has had for you will be overturned and the Lord will put you on the “Path of Life” where are His Presence and Joy.

SCRIPTURE FOCUS

Isaiah 29:19 The meek also shall **increase their joy in the LORD, and the poor among men shall rejoice in the Holy One of Israel.**

PRAYER FOCUS

- Pray that many will see the joy that is set before us.
- Pray that your sorrow will be turned into joy.
- Pray for strength to endure “your cross” looking for the joy that is set before you.
- Pray that as you humble yourself, you will increase in joy on a daily basis.
- Pray that you will find the Path of Life wherein is the presence of the Lord, fullness of joy, and pleasures forevermore.
- Pray that everlasting joy will be upon your head, sorrow will flee away, that you will obtain gladness, and come before the Lord with singing.
- Pray that this is the month that God will fill many with joy unspeakable, the kind of joy that is full of Glory.
