## FOCUS

This month I want to focus on:

*“Caught Up To The Throne.”*

Thanksgiving, Appreciation, and Rest!

One Theme of the Feast of Tabernacles is rest. There is a “rest” that is available to the people of God. We must “labor” to enter into that rest. There are specific steps that lead us into His rest. The first step is thanksgiving. The second step is praise or appreciation. If we continue to take these daily steps, we will be made free (enter His Rest). Until we learn to take these steps daily, we will find no rest but instead a constant endless exhausting work of the flesh. The righteous give thanks, the unrighteous complain and find fault, which do you think God will inhabit with His presence and multiply? Count your blessings, name them one by one, they may be standing right next to you! If your prayers are from a thankful heart, then the peace that passes all understanding will follow.

The amount of time that you spend in thanksgiving and appreciation will be the amount of time you will enter into His rest. As you enter into His rest you will begin to sing *“It is well, it is well with my soul!”*
